ZeoDetox Kelp

Supports:
- Detoxification and toxin removal
- Healthy endocrine system and thyroid function
- Weight management
- Cardiovascular and brain health
- Protection from environmental toxins

Rich in:
- Minerals: Iodine, phosphorus, calcium, potassium, magnesium, manganese
- Vitamins: A, C, B6, B12, PP, B3

Recommended for:
- People living near radioactive facilities, highways, or industrial zones
- Those recovering from radiotherapy or with compromised endocrine function

Daily Dose: 1 tablet in the morning

Why Combine Zeolite with Botanicals?
Zeolite naturally absorbs, holds, and removes toxins from the body. Through ionic exchange, it also delivers beneficial minerals to support health and vitality.

ZeoDetox Chaga

Supports:
- Full-body detox
- Immune system strength
- Antioxidant protection
- Nervous, cardiovascular, and lymphatic system health
- Digestive mucosa repair and microbiome balance
- Energy and vitality boost

Rich in Microminerals:
- Potassium: Nervous & cardiovascular support
- Germanium: Restores oxygen to cells, stimulates interferon and NK cell activity
- Rubidium: Anti-histamine, antibacterial, antioxidant properties
- Osmium & Cesium: Being researched for cancer-related benefits

Contains: SOD (superoxide dismutase), beta-D-glucan, saponins, botulinic acid – clinically studied for anti-inflammatory, antiviral, antioxidant, and anti-cancer properties.

Recommended for:
- Cold & flu season
- After chemotherapy
- Chronic degenerative conditions
- Immune system enhancement

Daily Dose: 1 tablet twice a day
